Opening Day Procedures

Mr. Donald Armentrout, Appomattox County High School Principal, requests students to check the local paper for homeroom assignments. On August 27, students shall report to the cafeteria. At that time student guides will assist you in finding your homeroom. Those students who do not know their homeroom assignment, will receive this information in the cafeteria. Once students have reported to assigned homerooms, teachers will provide student schedules. Students who drive to school are asked to park on the north parking lot.

According to Mrs. Hesteine Foster, Appomattox Middle School Principal, students will go to the cafeteria upon arrival at school. The SCA will provide guides to help students locate the cafeteria and homerooms. Homeroom rolls will be posted on classroom doors. Students will receive their class schedules from their homeroom teachers.

The SCA will provide guided tours of the school building to all seventh graders on Thursday, August 23 and Friday, August 24 from 8:30 a.m. to 5:00 p.m. On these days all students are urged to pay their fees and pick up their class schedules and homeroom assignments.

Mrs. Barbara Waddell, Pamplin Elementary School Principal, states that all kindergarten students will be met at the buses by adults and will be directed to their classrooms. Parents are requested to see that name tag showing child's name and bus number be pinned to each kindergarten student.

The principal of Appomattox Elementary School, Mr. Terry Quesenberry, has arranged for students, upon arrival at the elementary school, to be greeted by teachers, parent volunteers, and student guides. These persons will place a name tag on third grade students with the number of the student's bus. They will also direct each student to his respective homeroom. Class rolls will be posted on the doors of homeroom teachers.

Mrs. Patricia Torrence, Appomattox Primary School Principal, states that teacher aides and parent volunteers will meet students as they arrive on buses, pin the bus number on each student, and direct the students to their respective classrooms. Parents are requested to pin the name on the dress or shirt of each student to help with identification.

Other Information

Parents are requested to send their children to school on the bus the first day, especially primary and elementary pupils. This will enable the teachers to direct the pupils to the correct bus in the afternoon for the return trip home.

Parents can expect their children to bring home certain forms which you are requested to fill out and return to the school. It is necessary to have this information on file in the school office for each pupil.

Parents who have moved into the county during the summer who have children who will attend school this fall should go to the appropriate school or school to register. The schools in the county and telephone numbers are: Pamplin Elementary School (248-6106), Appomattox County High School (352-7146), Appomattox Middle School (352-8257), Appomattox Elementary School (352-7463), and Appomattox Primary School (352-5766).

All principals urge you to give them your cooperation regarding opening day procedures. The staffs are concerned about the safety and welfare of students as they make the trip to and from school each day, as well as the hours spent in school.

Chances will be sold and the person with the winning ticket will have a real value. It will make a very fine gift if you do not want to use it yourself. It will be on display at the snack-bar.

After the soft ball game, two trophies will be awarded. They will go to the two boys selected for their outstanding plays in the Pamplin Dixie League teams.

There will be broadcasting originating on the grounds, music and all about the people and happenings. WTTX will be doing the broadcasting. Toward the close of the broadcast period they will award a stack of records to the person making the closest guess as to the number of records.
